CREATIONS

For rental projects the only valid confirmation is the first in line (date and hour) reception of the full payment of the rental cost and the warranty deposit. As long as the payment has not been received on our accounts there is no guarantee of availability and can the rent be cancelled by an earlier payment for the same product on the same day. Please know taking options is not possible as there are continuously requests and running projects. All costs for repairs, cleaning or other maintenance necessary after the use can be deducted from the warranty deposit.
